*making sheers work*

There's nothing like dappled sunlight through a floor-to-ceiling patterned sheer. A fresh take on this decorating classic is to add a citrus twist or a sorbet shade to the mix. The result? A modern and romantic look for summer. We love this Christian Fischbacher 'Midsummer Day Wonderland' (below), \$210/m (295cm width), from Zepel Fabrics, zepelfabrics.com.au.
